This new policy applies to all customers, dealers and resellers and is being implemented in order to avoid any further distribution channel conflicts and to better serve our customers. Further, the policy outlined below is being adopted and unilaterally implemented by Streamline Canada/Alore Design as part of its efforts to preserve the premium branding and pricing associated with the company's products. Any information relating to a product on an Internet website is considered to be advertising for purposes of the policy set out in this memo. Thus, this policy is applicable to any and all advertising of the company's products over or by the Internet, whether done through a website controlled by a customer, through an auction website such as eBay®, or through Internet placements with third parties (e.g., banner ads and destination pages).

POLICY

The Minimum Advertised Price (MAP) for the following shall be:

This policy is unilateral, non-negotiable and will not be altered for any customer. Each customer is free to determine for itself whether or not to follow this policy and how it will sell the products covered by this policy to a consumer or other purchaser, including the prices at which it will sell the products to the purchaser. Any method of granting a discount from the current suggested list price for a unit of the applicable product is intended to be covered by these policies. Thus, for purposes of determining whether or not a particular price is in violation of these policies, any discounts, coupons, allowances, gifts or other free goods or services offered with Streamline Canada/Alore Design products will be considered in calculating the price being advertised or offered by a customer. Advertised price is defined as the price presented to the customer on any/all browse or product display pages. Please understand however, that Streamline Canada/Alore Design is not asking for, and it will not accept, any agreement or other assurance of compliance from a customer regarding the policy. Similarly, Streamline Canada/Alore Design will not discuss any conditions or acceptance related to the policy, even if initiated by a customer.

Furthermore, any customer selling Streamline Canada/Alore Design products to other persons or businesses which advertise or otherwise promote Streamline Canada/Alore Design products by or over the Internet or other means used in connection with the transmission of communications to others by or through the use of a computer at prices that are in violation of this policy is also in violation of this policy and are not authorized to do so by Streamline Canada/Alore Design.

VIOLATIONS

Streamline Canada/Alore Design reserves the right at any time to audit and investigate the Internet advertising of Streamline Canada/Alore Design products by any of its customers. Any customer determined to be in violation of these policies is subject to any of the following steps being taken by Streamline Canada/Alore Design in enforcement of the policies:

1. Streamline Canada/Alore Design will notify customer in violation of the MAP policy. The customer in violation will be issued a written warning.
2. If a second violation occurs or no action is taken on an initial violation within thirty (30) business days, Streamline Canada/Alore Design will notify the offending customer and identify the violation by way of a second written warning.
3. Upon a third violation or lack of action on any initial violation, the customer's purchasing privileges for the product(s) in violation with Streamline Canada/Alore Design will be suspended for thirty (30) days and no further orders with Streamline Canada/Alore Design for the product(s) in violation will be shipped during that same period of time.

Streamline Canada/Alore Design reserves the right to notify customers that have chronic violations that their purchasing privileges may be suspended upon refusal to maintain adequate market prices.
