COLLECTION CLASSIQUE

ZÉPHYR

CAPTIVANTE ET SPORTIVE,

Zephyr est le résultat du subtil mélange entre l'élégance à la française et les courbes longilignes, lisses directement inspirées du mouvement artistique américain des années 1930, Le Streamline.

Un design transitionnel et intemporel caractéristique des collections iconiques de notre maison.

CAPTIVATING AND SPORTY,

Zephyr is the result of the subtle blend of French elegance and slender, smooth curves directly inspired by the American artistic movement of the 1930s, The Streamline.

A transitional and timeless design characteristic of the iconic collections of our house.
