Aria's brand is divided among three distinct programs:

LUSO Step into a world of unparalleled luxury with LUSO, our flagship program designed to elevate your bathroom into a sanctuary of refined elegance. LUSO represents the pinnacle of our craftsmanship, meticulously curated with only the finest components, finishes, and materials. From the solid wood cabinetry expertly crafted in Canada to the exquisitely sourced Italian marble countertops and designer hardware, every detail exudes sophistication and enduring quality.

LUSO transcends the ordinary, offering a treasure trove of unique basin and vessel options to ignite your design imagination. Explore the sleek lines of contemporary European vessel sinks, handcrafted ceramic pieces featuring artisanal details, or indulge in the timeless allure of natural stone basins.

Elevate every touchpoint with the exquisite design-forward LUSO hardware. Discover faucets and pulls meticulously crafted from solid brass, adorned with polished chrome, brushed nickel, or the warm gleam of champagne gold. Each piece is a work of art in itself, seamlessly blending functionality with captivating aesthetics.

MEZZO embodies the essence of the Aria vanity collection, showcasing exceptional craftsmanship and unparalleled elegance. Each piece is meticulously crafted in Canada, utilizing locally sourced materials for a commitment to quality and sustainability. MEZZO elevates your bathroom experience with the introduction of exquisite European ceramic basins, including the globally renowned GSI brand. These basins are renowned for their flawless design, superior durability, and timeless appeal, adding a touch of luxury to your space.

PROGETTO is our value-driven line, tailor-made for development projects including apartments, condominiums, rental units, secondary bathrooms, and powder rooms. Each vanity is proudly made in Canada using locally sourced components, ensuring exceptional quality and ethical manufacturing practices.

We pair our vanities with stylish and durable composite basins, offering a cost-effective alternative to box store products typically sourced from China. This combination delivers exceptional value without compromising on aesthetics or performance, making PROGETTO the smart choice for budget-conscious projects.

Regardless of the program selected, you'll have the opportunity to immerse yourself in endless design possibilities. Our extensive range of styles, colors, and sizes caters to every taste and preference. Explore timeless classics, embrace contemporary trends, or forge your own unique path - the choice is yours. Discover the perfect combination to transform your bathroom into your personalized haven!

LUSSO

ATELIER IN BLACK RECON + MATTE BLACK SHOWN ABOVE

The ATELIER Creation

Our bespoke Atelier collection allows you to choose from the highest quality, unique products to create a truly one-of-a-kind vanity! We offer the GSI Pura ultra slim basin in a variety of finishes, which you can pair with any of the 3 carefully selected materials for your vanity drawers. Basins are sold separately, be sure to indicate the code.

Each drawer front finish tells a unique story. Select from the charred look of Black Recon, the eye-grabbing design of Walnut Aztec or the premium shimmer of Bronze Metallic. No matter which finish you pick, your Atelier vanity will become a conversation piece that is undeniably you.

Your premium creation is completed by the inclusion of a black, leather-like drawer interior. This truly one-of-a-kind vanity comes with push-to-open drawers — no handle required.

PURE WHITE QUARTZ COUNTERTOP

The SHAKER Vanity Range

MEZZO

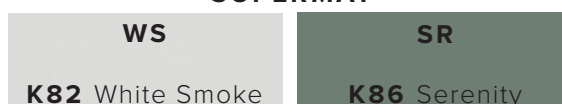

The Shaker collection uses 3/4" thick doors with a 1/2" shaker frame and minimal radius of only 2.5mm. It is available in 2 drawers with a soft close system, and a light grey interior. The vanities can be installed wall-hung or on legs. Includes cut-out for drain in top drawer. These are paired with GSI's Norm basins, which have a stunning 5cm profile (~2"). We pair it with a brushed brass handle, but chrome is available upon request.

GROUP 1 WOOD GRAIN

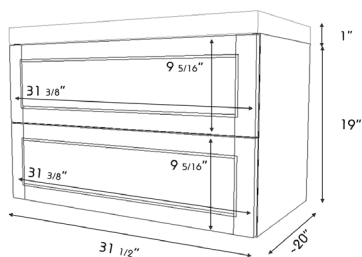

GROUP 2 SUPERMAT

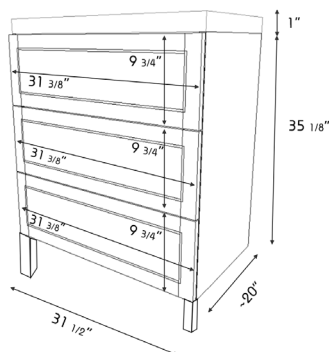

*Please note: Due to the unique look of shaker doors, the Shaker line is currently only available in the above four finishes.

PROGETTO

OASIS30 IN CHIFFON SHOWN ABOVE

PROGETTO SERIES

Progetto is our most cost-effective vanity series, designed to offer modern style and functionality at an affordable price. Made in Canada with locally sourced materials, this collection prioritizes efficiency and durability while keeping costs low. By streamlining production and limiting the available finishes to a carefully pre-selected range, we minimize waste and optimize manufacturing, making Progetto an ideal choice for budget-conscious buyers. This series provides a stylish and economical solution without sacrificing quality.

A key factor in Progetto's affordability is the use of resin tops instead of traditional ceramic basins. Resin is a cost-effective, lightweight, and durable material that is easy to maintain, ensuring long-lasting performance. By pairing these practical tops with our pre-determined selection of finishes, we eliminate unnecessary production costs while still offering a clean, modern aesthetic. The result is a smart, functional vanity series that delivers both value and style, making Progetto the perfect balance of affordability and design.

OPTIONAL UPGRADES

The only optional modifications we offer, are changing the handles (and/or legs) from chrome to matte black (MB) or brushed gold (BG) at an additional cost as indicated.

In that case, be sure to follow ordering instructions, in order to code the product accordingly:

MODEL# FINISH - HANDLE

*Pricing needs to be updated as indicated per series.

PRODUCT INSTRUCTIONS & WARRANTY DETAILS

CLEANING INSTRUCTIONS

Use a soft cotton cloth, moistened with water to clean doors and parts in matte finishes. For glossy finishes, a glass cleaner that does not contain solvents may also be used. Dry well afterwards with a soft cloth.

Do NOT use abrasive sponges, abrasive products, or products containing acids or solvents. No acetone, chlorine, wax, powder detergents should be used. Metallic parts such as handles or legs should only be cleaned with a moist cloth and dried with another soft cloth. No steel wool or abrasive sponges, abrasive products, products containing acids or solvents should be used.

WARRANTY

Aria will repair or replace, at it's option, free of charge within 5 (five) years of purchase date, any part which proves to be defective in material and/or workmanship under normal installation, use, service and maintenance. Aria is not liable due to unauthorized modifications or repairs, and surface deterioration due to cleaning methods not in accordance with instructions. This remedy is the sole and exclusive remedy of the purchaser for the breach of any warranties or negligence. Aria and Streamline Canada will not assume liability for labour expended, freight costs or damages accruing from the use of these products.

INSTALLATION

WARNING ALWAYS USE A PROFESSIONAL INSTALLER.

The washbasin must be fixed to the wall with suitable fixings before the vanity is installed. Install washbasin according to manufacturer guidelines.
